### **Certification of material recycling**

Metall-Recycling Göppingen GmbH herewith certifies to

Carl Stahl ARC GmbH  
Siemensstraße 2  
D-73079 Süßen

that due to the material characteristics both the products and the production scraps of the stainless steel product groups

I-SYS stainless steel wire rope systems  
X-TEND stainless steel cable mesh

can be unlimitedly recycled without effects to the material quality.

The mentioned scrap materials that are provided to Metall-Recycling Göppingen GmbH for disposal are completely returned to the cycle of resource materials.

i.A. Steffen Maier
